

Aiming at the World, the International STSP

The STSP Welcomes Friends from All over the World by Demonstrating its Strength

In 2014, the STSPB hosted 189 groups of foreign visitors, totaling 8,243 people, including Minister of Justice and Constitutional Affairs of the Kingdom of Swaziland, Chief Mgwagwa Gamedze; Permanent Representative of the Kingdom of Swaziland to the United Nations, Ms. Inga Rhonda King; Representative of Liaison Office of the Republic of South Africa, Mr. Musawenkosi Aphane; the Chairman of Public Account of the Northern Ireland Assembly, Mr.

John McGuinness; Deputy Director Trade Commissioner Financial and Insurance Services of Canadian Representatives in Taipei, Mr. Brandon Geithner; Deputy Mayor of Government Administration Council of Changzhou City, China, Mr. Fang Guoqiang; and the former Deputy Minister of Ministry of Economy, Trade, and Industry, Mr. Adachi Kensuke indicating the recognition of the high degree of the STSP's reputation for technological development.

■ The Visit of Minister of Justice and Constitutional Affairs of the Kingdom of Swaziland, Chief Mgwagwa Gamedze (the Fourth to the Right) (July 9, 2014)

■ The Visit of the Chairman of Public Account of the Northern Ireland Assembly, Mr. John McGuinness (the Third from the Left) (January 8, 2014)

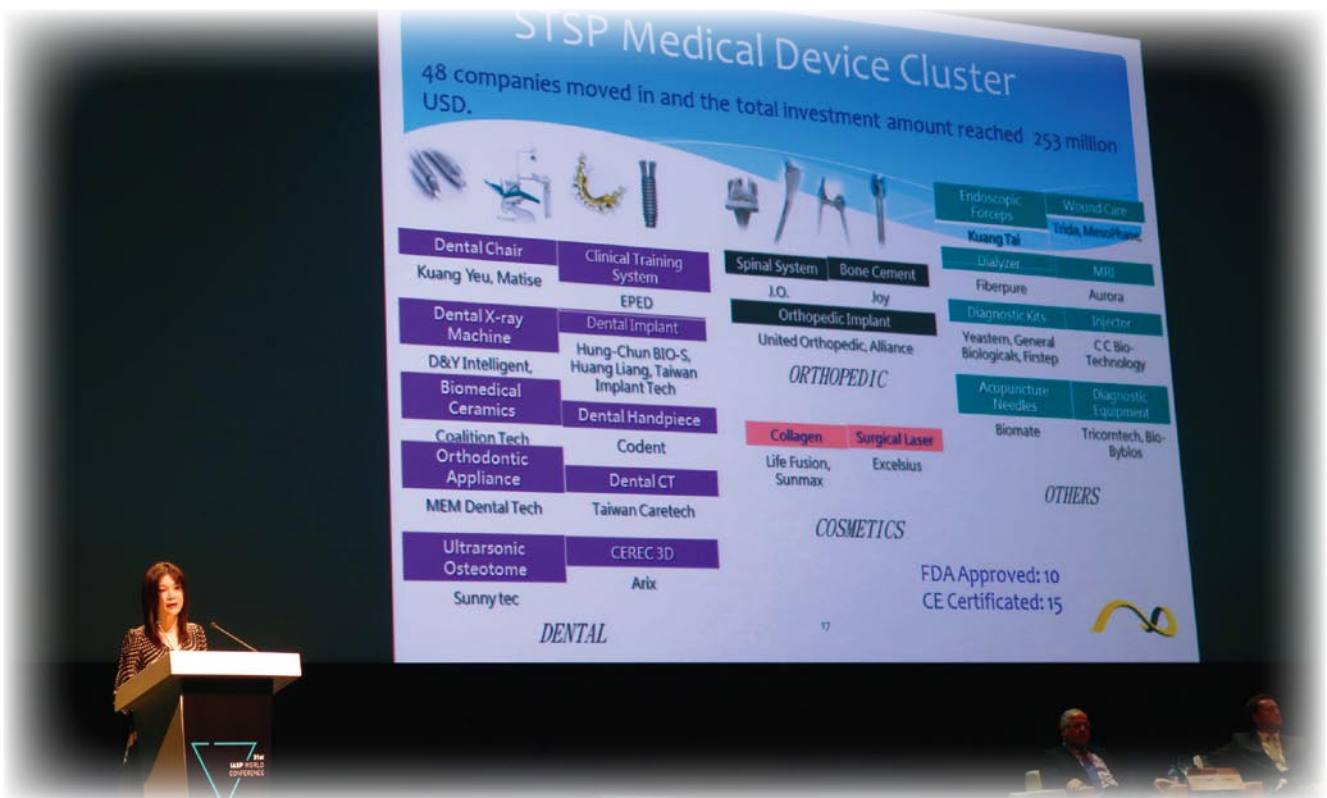

■ The Visit of Deputy Director Trade Commissioner Financial and Insurance Services of Canadian Representatives in Taipei, Mr. Brandon Geithner (the Second from the Left) (October 21, 2014)

Enhancing International Visibility and Linking to the World

STSPB delegates from October 15 to 22 went to Shiraz, Iran and Doha, Qatar to participate in the 2014 Asia Science Park Association (ASP) Annual Conference and 2014 International Association of Science Parks and Areas of Innovation(IASP) Annual Conference to present three papers on green energy and innovative medical industrial clusters. The former Director-general Chen Chunwei was

invited as the moderator of “Technology Management and Industrial Clusters” Session of the ASPA to share the achievements of the STSP in the promotion of innovative industry and the Industry-academia cooperation. He was also interviewed by Qatar Today. With the enhanced visibility of the STSP, the participations have been proven to be fruitful.
